

Holiday Cookie Trays Are Here!

It's that time of year...family, friends, good food & good times! No holiday party is complete without at least one heaping mound of cookies sitting in the middle of the table. We're here to help you spend a little less time slaving over your oven and a little more time enjoying yourself!

All of our cookie trays come decorated with small bites of The Dangerous Stuff Almond English Toffee! The cookies are smaller than our regular sizes to make them more shareable (or to make it easier to justify eating 10 of them...)

Standard trays are a random assortment of all of our cookie varieties. If you want any cookie in particular, or if you know exactly what you want on your tray, just let us know and we'd be happy to accommodate your request. We do ask that if you have special requests please order at least 48 hours in advance.
